RE: RESPONSE TO OFFICE ACTION:

Mr. Baschias,

In light of the arguments in the previous Office Action, please withdraw claim 23 from this application and substitute a revised claim 25 with the noted correction of the claim as dependent on claim 24 and not itself.

We also respectfully request reconsideration of the remaining Section 102(b) and 103(a) rejections based on the arguments presented in the remarks section of this office action response.

Respectfully,

Mark O. Loftin,
